## EC Declaration Of Conformity

We declare that the powder coated products are manufactured in conformity to the requirements of the international standard EN ISO 12944 with a thermohardening powder coating (certified according to GSB ST663).

Products that need to be galvanized and powder coated are manufactured in conformity to the requirements of the Belgian practical guideline Duplex BPR 1197. After hot-dip galvanizing (according to the international standard EN ISO 1461) the products are coated according to the international standard EN ISO 12944 with a thermohardening powder coating (certified according to GSB ST663).

All manufacturing processes are in accordance with the requirements of the guideline Qualitysteelcoat.

Oudenaarde,

**Gino Declercq**  
Managing Director Vergokan  
Cable management & protection

On condition that the product(s) is/are used in the manner intended and/or in accordance with the current installation standards and/or with the manufacturer's recommendations.
